

2nd Quarter News Letter - July - Sep 2023

Dear all,

The second quarter of 2023 started in the month of July. A fun filled summer with a lot of bright activities ensued. Children learned about different summer fruits and vegetables. Then came the rainy days. Tiny tots in raincoats and rainboots jumping in the puddles made our gloomy days much more colourful. A lot of festivals were also celebrated in these three months. A kaleidoscope of different events our students participated at both the branches follows:

A kaleidoscope of different events our students participated at both the branches are as follows:

Quarter, our teachers will be continuing their work to make the schooling experience as positive and exciting as possible. We look forward to guiding and sharing your child's learning journey during this year. Have a wonderful school holiday and see you next quarter!

7th July - Yellow Day

Yellow is the warmest colour of the rainbow. The tinytots were introduced to the colour yellow with juicy mangoes. They also participated in sorting of yellow coloured objects. The motive of celebrating this day was to make the children aware of yellow colour, its significance and to develop fine motor skills in the students. They spent the day with utmost enjoyment.

13th July - Bhanu Jayanti Special Assembly

Bhanu Jayanti is the birthday of Bhanubhakta Acharya, a renowned Nepali poet, writer and translator who is considered one of the founders of Nepali literature. It is annually celebrated in Nepal and the Indian state of Sikkim, which has a significant Nepali population. The preschoolers showed their respect to the great poet by offering flowers to his photograph. Teachers also conducted a special assembly to make the students aware of his great life.

14th July - Puppet & Insect Day

The successful celebration of Insects Day at Cosmos Global Preschool was a delightful and educational event that aimed to raise awareness and appreciation for the world of insects. The preschool organized various activities to engage the children and teach them about the fascinating lives of insects. They were introduced to basic facts of what makes an insect - insect such as having 6 legs and should have a head, thorax and abdomen. Interesting presentations were shown to understand the harmful and useful insects that they see all the time in their yard. Children were amazed to know certain interesting facts about insects like butterfly tastes with their feet etc. The highlight of the celebration was the puppet show titled "The Hungry Caterpillar" and "The Caterpillar and The Ant."

Puppets are engaging toys that can help support oral language skills and communication, social/emotional development, and help children learn and understand the world around them through safe, imaginative play. In order to stimulate the imagination in our little ones Cosmos Global Pre School conducts Puppet show in the Pre-primary classrooms to develop proper pronunciation and language skills.

21st July - Vegetable Market Role Play

The students were taken to the nearest vegetable vendor and were taught about the different types of vegetables and their nutritional value. They were encouraged to buy their choice of vegetable independently and understand the concept of buying and selling.

26th July - Kargil Diwas Special Assembly

We are thrilled to share the joy and success of our recent field trip to Trishakti Heritage Museum in Sukna Cantonment area. The students of Cosmos Global Preschool, Salbari, had an enriching experience exploring the various artilleries and artifacts from the Kargil War. The museum's exhibits not only gave our little ones insights into the nation's history but also provided them with a deeper understanding of bravery and sacrifice.

Furthermore, the museum's models of the flora and fauna of North Bengal added an educational aspect to the trip, allowing our students to connect with nature and their surroundings. On this special occasion, we also joined in the nationwide celebration of Kargil Diwas, honoring the valor and courage of our armed forces.

Field trips are crucial for pre-primary students as they offer hands-on learning experiences, stimulate curiosity, and foster social development. There was also a room that displayed models of flora and fauna found in and around North Bengal. The children enjoyed this part of the museum the most.

28th July - World Nature Conservation Day

World Nature Conservation Day is recognised annually on 28th July. The main purpose of celebrating this day is to create awareness among people about the importance of the natural environment and its resources. Nature plays an essential role in supporting life on Earth, besides maintaining overall balance of the planet.

04th August - Friendship Day Celebration

Friendship Day is celebrated to show children how to respect each other, be kind with each other and how to play together in harmony. The best part is the handmade friendship bands; children prepared friendship bands for their friends and tied it on each other. Later the tinytots enjoyed a hearty picnic by sharing their tiffins.

11th August - World Elephant Day

Cosmos Global Preschool proudly announces the triumphant celebration of World Elephant Day on August 11th, 2023, across all three branches. The event saw an outpouring of creativity and engagement as students participated in mask-making, artistic endeavours, role-playing and informational sessions, all centered around the majestic elephant.

The preschool's classrooms transformed into hubs of imagination, with children crafting intricate elephant masks and producing vibrant artwork that showcased their love and admiration for these gentle creatures. Role-play activities brought learning to life, as students stepped into the roles of elephants, fostering empathy and understanding.

Informational sessions provided fascinating insights into the world of elephants, promoting awareness and conservation efforts among the young learners. The event not only celebrated the beauty of elephants but also instilled a sense of responsibility toward wildlife and the environment.

15th August - Independence Day

To celebrate the 75th Independence Day, Azaadi ka Amrit Mahotsav, the tiny tots of Cosmos Global Preschool assembled in the Salugara campus early morning to witness the unfurling of our national flag by the respected Principal. This was followed by a host of performances by students from different classes. Students of the senior classes were dressed as great leaders like Sarojini Naidu and Rani Laxmi Bai and made speeches about their great lives. Such activities for kids are essential as these help them learn about the sacrifices and struggles of the freedom fighters.

18th August - Water Play

Our students were fully engaged in a variety of water-based activities. The highlight of the day was the lively splash pool, where children had a blast splashing around, making new friends, and learning through interactive play.

The joyful laughter and vibrant energy echoed through our campuses, creating an atmosphere of pure delight.

In addition to the splash pool, the pouring activities were a hit among our young learners. These activities not only helped children develop fine motor skills but also encouraged them to explore the concepts of volume, measurement, and cause-and-effect relationships in a hands-on and enjoyable manner.

25th August - Green Day

The Green Colour Day was organized with the aim of introducing our preschoolers to the colour green in a fun and interactive manner. The day was filled with a plethora of sensory and motor skill activities that captivated the children's imagination and facilitated their holistic development.

The preschool premises were adorned with vibrant green decorations, creating an immersive environment that immediately caught the attention of the children. Creative art and craft sessions allowed the children to express themselves by using green-themed materials. They enthusiastically engaged in activities like fingerpainting, leaf collages. The children were taken for a nature walk in the school's garden area. This experience not only exposed them to various shades of green but also encouraged them to observe the natural world around them.

29th August - National Sports Day

The celebration of National Sports Day at Cosmos Global Preschool was a resounding success, promoting physical fitness and teamwork among young learners. The day was filled with exciting sports and games, fostering a spirit of healthy competition and camaraderie. Students enthusiastically participated in various activities like relay races, mini football matches, and sack races, showcasing their budding athletic talents. National Sports Day at Cosmos Global Preschool was not only a day of fun and games but also a valuable lesson in the significance of sports in holistic child development.

5th September - Teacher's Day

The celebration of Teacher's Day at Cosmos Global Preschool was an exceptional occasion marked by joy and appreciation. The school organized a heartwarming event to honor the dedicated faculty who play a pivotal role in shaping young minds. The day commenced with enthusiastic students presenting heartfelt performances and handmade cards to express their gratitude. The teachers were visibly touched by these gestures of affection.

Following the touching celebration at the school, a delightful surprise awaited the faculty. Mr. Harshvardhan Mittal, the esteemed director of the school, hosted a sumptuous lunch in their honor. This thoughtful gesture fostered a sense of unity and camaraderie among the staff. It was a day filled with smiles, laughter, and cherished memories, highlighting the vital role teachers play in nurturing the future generation. The successful celebration left an indelible mark, reinforcing the importance of acknowledging and honoring educators for their dedication and hard work.

6th September - Janmashtami

The celebration of Janmashtami at Cosmos Global Preschool on the 6th of September, 2023 was a delightful and vibrant event. Children adorned themselves in adorable Radha and Krishna attire, bringing to life the playful spirit of Lord Krishna. The day was filled with an array of cultural activities, including enchanting dance performances and melodious bhajans that added to the festive ambiance. The little Radhas and Krishnas showcased their talent and enthusiasm, leaving everyone mesmerized. A beautifully decorated idol of Lord Krishna took center stage, surrounded by colorful rangoli and decorations. The children participated in various traditional games and enjoyed delicious sweets and treats, symbolizing the joyous occasion.

9th September - Grandparents Day

The Grandparents Day celebration at Cosmos Global Preschool was a tremendous success, adhering to the captivating theme of "Black and White." The school buzzed with joy as students and their grandparents participated in a myriad of engaging activities. Together, they explored the beauty of contrast, donning black and white attire, and showcasing their creativity through art projects that played with these two classic colors. Storytelling sessions bridged generations as grandparents shared their wisdom and tales of yesteryears. The day was filled with music and dance, as everyone swayed to timeless black and white melodies. This memorable event strengthened the bond between grandparents and grandchildren, emphasizing the significance of intergenerational relationships in a delightful monochrome palette.

15th September - Hindi Diwas

Hindi Bhasha Diwas, observed on September 14th, is an integral part of our school calendar, where we take pride in promoting the Hindi language and its cultural significance. The celebration includes engaging activities like the introduction of AKSHAR; and poem recitation, which play a pivotal role in nurturing our students; linguistic and cultural awareness. Through interactive and age-appropriate activities, our young learners are introduced to the beauty of Hindi script. We make learning Akshar a fun and exciting experience, encouraging our preschoolers to explore the world of letters, sounds and words in Hindi.

Our students eagerly participate in poem recitation sessions, where they not only showcase their language skills but also express their emotions and thoughts in Hindi. The poems selected for recitation often reflect themes of unity, diversity, and the importance of preserving our linguistic heritage.

19th September - Ganesh Chaturthi

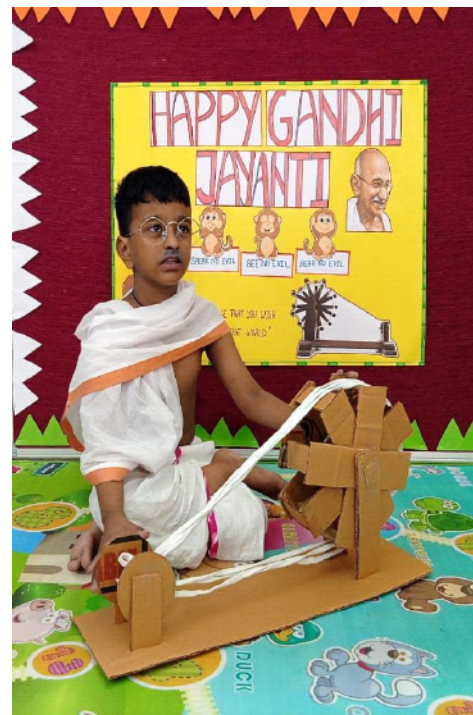

The preschool premises were adorned with colourful decorations, rangolis, and a beautiful idol of Lord Ganesh, creating a vibrant and festive atmosphere. The children, dressed in traditional attire, showcased their creativity through various cultural performances, including dance and music.

Parents and teachers joined hands to educate the children about the significance of the festival, emphasizing values like unity, harmony, and environmental consciousness. It was a joyous occasion that not only celebrated tradition but also instilled important life lessons in the young minds of the future generation. Ganesh Chaturthi at Cosmos Global Preschool was indeed a memorable and meaningful celebration.

29th September - Gandhi Jayanti Celebration

The celebration of Gandhi Jayanti at Cosmos Global Preschool was a resounding success, with children actively engaging in various meaningful activities. Students enthusiastically participated in storytelling sessions, art and craft projects, and peaceful meditation exercises, deepening their understanding of Mahatma Gandhi's principles of truth and non-violence. The school resonated with the echoes of Gandhi's favorite bhajans, fostering a sense of reverence among the little ones. The day was marked by colorful traditional attire, symbolizing unity and diversity. Parents joined the festivities, enriching the experience for their children and strengthening the school-community bond. Through these celebrations, Cosmos Global Preschool successfully instilled the values of peace, harmony, and social responsibility in the hearts of its young learners, ensuring that Gandhi's legacy continues to inspire the future generation.
