

1st Quarter News Letter – April-June 2025

Dear Parents and Guardians,

As we wrap up the first quarter of the academic year, we are delighted to share the vibrant and enriching experiences that have taken place at our school. From colourful celebrations to engaging competitions, it has been a season full of learning, laughter, and community spirit. Here's a quick look at the highlights from this quarter:

Orientation Day – 1st, 2nd & 3rd April

We kicked off the new academic year with a warm welcome to our new students and their families during Orientation Day held across all three centres. Teachers were introduced to the parents, classroom routines were shared, and students had the opportunity to explore their new learning spaces.

The day was filled with smiles, new friendships, and positive energy! A special highlight was the quiz competition for parents, held in collaboration with Nutshell, which added an extra element of fun and engagement to the event.

Harvest Festival - 11th of April

Our Harvest Festival was a joyful occasion, celebrating the hard work of farmers and the beauty of nature's bounty. Students participated in traditional songs, dances, and displays of seasonal produce. It was a perfect blend of culture and gratitude.

Earth Day Plantation Drive - 22nd of April

In honour of World Earth Day, our students rolled up their sleeves and took part in a meaningful tree-planting activity. This initiative aimed to instil a sense of environmental responsibility and highlight the vital role we all play in protecting our planet.

As part of the experience, students also went on a plantation field trip to a nearby forest area, fostering learning beyond the classroom and deepening their connection with nature.

Budha Purnima Celebration – 9th of May

In celebration of Buddha Purnima, our students visited a local monastery for a peaceful and enriching field trip. The visit offered children a glimpse into Buddhist traditions, teachings, and the serene environment of the monastery. They learned about the life and values of Lord Buddha through guided storytelling and observed monks in prayer, fostering a sense of calm, respect, and cultural awareness. It was a reflective experience that encouraged mindfulness and curiosity about different ways of life.

Mother's Day Celebration – 10th of May

The day was dedicated to celebrating the incredible mothers who play such an essential role in the lives of our students. Mothers were warmly welcomed to join us for a heart-warming event filled with fun activities, shared laughter, and meaningful moments.

The celebration began with a series of interactive games where mothers and their children participated together, strengthening their bond and creating lasting memories. Throughout the day, the love and appreciation for mothers were truly palpable.

Children expressed their gratitude through handmade cards, beads jewellery and thoughtful gestures, making the event all the more special and memorable.

Swimming Gala – 14th, 15th & 16th of May

Our much awaited Splash Pool Swimming Gala, set against a vibrant beach party theme, was a splashing success! The event was packed with excitement as our young swimmers and children enjoyed a day full of water fun.

Children had a blast playing in the splash pool and building sandcastles. It was heart-warming to see their confidence and enthusiasm grow as they splashed around with friends in their colourful beach-themed attire.

The day was not just about fun—it was a celebration of joy, friendship, and the spirit of summer.

Colour Days (Red & Blue) - 30th April & 16th May

Our Colour Days brought a joyful burst of energy to campus as children celebrated Red Day and Blue Day dressed in bright, themed outfits. From vibrant red to calming shades of blue, both days were filled with excitement, creativity, and learning.

Students engaged in themed games, crafts, and sensory activities that supported early learning goals such as colour recognition and fine motor development. Teachers and children alike embraced the festive spirit, dressed head to toe in their designated colours.

Thoughtfully planned activities made the days both fun and educational. On Blue Day, children explored their creativity through blue-themed art projects and enjoyed storytelling sessions featuring ocean adventures and fascinating sea creatures.

These colourful celebrations were a perfect blend of fun, imagination, and early learning.

Summer Camp – 23rd, 24th & 25th of May

Our three-day Summer Camp at Cosmos Global Preschool was an unforgettable experience for children aged 3 to 8 years, filled with laughter, creativity, and learning.

Day 1 kicked off with energy-boosting Yoga and Dance sessions, followed by an exciting Robotics activity where young minds explored technology. The day ended on a sweet note with a cake icing session that had everyone decorating (and tasting!) their delicious creations.

Day 2 focused on creativity and hands-on fun. Children crafted beautiful paper flowers during the paper craft session, engaged in SUPW (Socially Useful Productive Work) activities, and continued their exploration of robotics.

Day 3 was the grand finale—a fun-filled swimming party at the Cinderella Hotel, where kids splashed and played with their friends. The day ended with a special McDonald's feast and exciting playtime at the Play Zone, making it the perfect conclusion to a memorable summer experience.

To keep our little campers fuelled throughout the adventure, delicious breakfast, lunch, and evening snacks were provided each day—keeping energy levels high and smiles wide!

This summer camp was a beautiful blend of learning, fun, and lasting memories!

Teacher Training – 23rd June

Our teachers participated in a dedicated training session, emphasizing the importance of continuous professional development, especially for pre-primary educators. Such training is essential in equipping our teachers with updated strategies, tools, and techniques tailored to the needs of young learners. At our school, we believe that regular training sessions not only enhance teaching quality but also contribute significantly to the overall growth and development of our students.

Quiz Competition – 27th June

Our first Inter-House Quiz Competition of the year was an exciting and enriching event, specially designed for children aged 4 to 8 years. Organized in collaboration with Nutshell, the event was a lively celebration of knowledge, teamwork, and quick thinking.

Young participants enthusiastically answered questions that covered a range of topics—from everyday concepts to fun facts—encouraging practical learning in a playful, engaging way. The interactive format kept the children curious and involved, turning the session into more than just a quiz—it was a valuable learning experience.

The competition fostered confidence, collaboration, and critical thinking, leaving both participants and the audience inspired and eager for more.

And Many More!

Throughout the quarter, students enjoyed various activities like story-telling sessions, yoga sessions, classroom projects, and special assemblies dedicated to renowned figures, that promoted confidence, communication, and collaboration. The enthusiasm shown by our students has been truly inspiring!

We look forward to another quarter of growth, creativity, and joyful learning. Thank you for your continued support and involvement in making our school a vibrant place to learn and grow.
