January - March | 2026

Dear Parents and Guardians,

## Warm greetings from the school!

As we come to the close of the academic session 2025–26, we are delighted to share that the fourth and final quarter (January to March) has been a fulfilling and memorable journey for our students. This period marked the culmination of a year filled with growth, learning, and achievement.

The last quarter was enriched with engaging academic activities, creative expressions, and meaningful experiences. Our young learners enthusiastically participated in revision sessions, assessments, cultural events, and various fun-filled activities that reinforced their learning throughout the year.

We are proud of their dedication, progress, and the confidence they have developed. As the session concludes in March, we celebrate their accomplishments and look forward to seeing them continue to shine in the coming academic year.
